VILLA APHRODITE

A recently renovated sea captain's house, this glorious villa can accommodate up to 8 people in 4 bedrooms, while the unique terrace with the unobstructed views of the sunset and the Caldera and Aegean islands capture all your senses.

VILLA APHRODITE SANTORINI, GREECE

Villa Aphrodite can accommodate up to eight people in four bedrooms, which have all distinct "personalities".

LAYOUT

On the ground floor the master suite comes with high vaulted ceilings, king size "built-in" bed, walk-in closet, en suite bathroom and its own veranda. Also on the ground floor next to the inner terrace, a second suite features grout colored terracotta floor, Cycladic white textured walls, king size double bed, spacious wardrobe and en suite bathroom. Both rooms have direct access to the first floor and the terrace.

On the first floor the third double bedroom, with textured Cycladic white walls, has its private balcony with stunning views of the sunset and the neighboring islands.

Also on the first floor, overlooking the inner yard, is the fourth double bedroom which can be arranged with single beds. This room has two large windows that provide plenty of daylight. Both rooms on the first floor are just a few steps away from the "take your breath away" terrace. The rooms share a common bathroom with a skylight window. An extra bed & bathroom can be found on the basement that usually hosts service personnel.
