## VILLA ELEONORA

CRETE, GREECE

Villa Eleonora is a 6-bedroom modern villa of 352 sqm interior space and of 3788 sqm outdoor space. It offers 5 cosy bedrooms in the main house and one guest room for the ones who prefer the total privacy and isolation. More specifically:

### LAYOUT

Similarly designed with villa Irene, which is located close enough, on the ground floor you will find an open-plan dining room and spacious living room for relaxing moments for you and your friends. French doors open onto shaded terrace with access to the fashionable pool area.! Also two fashionable ensuite bedrooms are found here, as well as a fully-equipped kitchen.

The Master bedroom is located on the first floor with 1.80m four-poster bed and ensuite bathroom with both bath and shower attachment. Another bedroom is next to it offering same sea views and all kind of comforts even for the most demanding ones.

At the lower ground level you will happily find two more bedrooms, both with ensuite bathrooms and garden and pool access! In the same area the storage and the laundry room are located. At the outdoor dining spaces and verandas offering amazing views and quiet environment, you are able to lay back and forget the rest of the world out there. Just do it!
