## VILLA ATHALIA PAROS, GREECE

Located directly on the waterfront of Chryssi Akti this modern and luxurious villa encapsulates the ultimate beach house experience, for those looking to relax underneath the Mediterranean sun.

Villa Athalia is a few steps off the long stretch of the golden fine sand, which has glass elements in it and provides a sparkling effect during sunshine. The property is built on a large plot of 11,000 sqm and is surrounded by olive, pomegranate and fig trees and cultivates its own vineyard and small aromatic plants garden.

### LAYOUT

This recently built villa is designed in a unique way that couples the Cycladic architecture with the minimalistic ambiance. The all-white decoration style is perfectly applied to the living room spaces and the 3 en-suite bedrooms, while the modern kitchen is equipped with state of the art appliances that satisfy the most demanding traveler.

The simple cubic outdoor shaded spaces provide the perfect setting for a relaxed dining and entertaining experience and tie beautifully together with the large 14x4.5 swimming pool and its modern sun-beds.

The guest house, next to the main house, complements the accommodation facilities and enjoys its own dressing room and en-suite bathroom.
