## VILLA LORA

MYKONOS, GREECE

One of the oldest houses of the island's center, owned by important greek family and fully refurnished, this house gives the essence of a greek "home". The modern touch is there for the demanding travellers but the traditional exceptional Mykonian vibe always floods the atmosphere.

### LAYOUT

Villa Lora offers memorable views and stands out with its impressive architecture and aristocratic decoration. Literally, a "hidden gem" between the narrow alleys of the historic Town. With 5 bedrooms in total, 3 in the Main building and 2 independent Guest Houses, it could easily accommodate 10 people for their vacation moments. Big windows is the main point of the house offering breathtaking views except of letting the fresh air to enter.

There is also a fully equipped kitchen with an amazing characteristic mosaic on the floor. One of the guest houses includes a master bedroom with king size bed and en-suite bathroom, living area, a kitchenette and an additional bathroom. The second guest house is two-tiered with double bedroom and bathroom as well as its own living space with a double sofa bed.

The living space of this villa is 350 sqm and the grounds cover 1000 sqm in total including a private swimming pool, a beautifully manicured garden as well as shaded dining and lounge areas complete with unobstructed sea views as well as the Mykonos Port. Just book this house and live one of your best vacation ever!
