VILLA KENDRA

Kendra is located in the capital of Santorini called Fira, can accommodate up to 10 people and is ready to blow your mind with its panoramic views!

VILLA KENDRA SANTORINI, GREECE

Villa Kendra provides relaxing moments inside its luxurious but still traditional furniture and decoration. The house has historical importance and it has been reconstructed recently. Highlights of the home include striking domes, thick walls and vaulted ceilings, the symbiosis of old and new results in an atmosphere of understated luxury and authenticity. The residence offers the main house and the guest house which has two independent cottages with private entrance to each part. A lot different dining areas to select from according to the right time of the day and an amazing pool that completes the convenience of the enormous outdoor spaces. Just lay back and enjoy!

LAYOUT

The Main House of Kendra offers 2 double en-suite bedrooms on the ground floor and a third one up a short flight of stairs. All bedrooms are fully air-conditioned and two of the bedrooms can be converted to twin bedded rooms. Fully equipped kitchen exists too.

The Guest house can accommodate up to 4 people. Upon entry you will reach the first double bedroom which has a light and airy feel. Quirky decorative touches, an en-suite bathroom, kitchenette and private verandah with el-fresco seating complete it perfectly. The second double bedroom is reached via an external flight of stairs, which leads you to the entrance and a wonderful shaded courtyard. A kitchenette is ready to be used for preparation of light snacks too.
